

## Welcome to Brazeau Reservoir Provincial Recreation Area

There are 2 small campgrounds and 3 separate group use areas in this recreation area. In addition to basic camping facilities like firepits, picnic tables and water you also have access to nice sand beach, boat launching and fish cleaning facilities.

This area is a great place for bird and wildlife watching, canoeing and kayaking as well as fishing and power boating on the reservoir and the canal. Please be aware that fluctuating water levels may result in floating debris in the reservoir. Stay alert and use caution.

Off-loading and use of OHVs anywhere within the campgrounds is prohibited. Please trailer your OHVs to the trails in the vicinity.
